

CHARLOTTE
CHESS CENTER

SCHOOL PROGRAMS

providing students with the highest quality chess program available

ABOUT US

Founded in 2014, the Charlotte Chess Center (CCC) is devoted to chess education. Over 60 schools in the Charlotte Metro Area trust us to provide their students with a fun, educational school enrichment program. In addition to the over 2,000 students in our school chess programs, our Centers in North and South Charlotte serve as home to over 1000 members of all ages.

The CCC was voted 2019 "Chess Club of the Year" by the United States Chess Federation.
